

Features:

- Chlorine-Free Chemistries
- Oil-Free Chemistry
- Lube Dries in Paint Ovens
- Strong Barrier Film
- Multi-Metal Compatible
- Special Formulations

Benefits:

- Lower Environmental Impact
- Cleans Easily in Low Temperature – Water Based Cleaners
- Weld Parts without Prior Cleaning
- Reduce Galling and Particle Generation
- Reduce Lubricants in Plant
- Will Not Slump Under Heat

Industries Served:

Automotive, Truck, Commercial, Military, Shipbuilding, Furniture, General Bending
