

Tower Oil & Technology Co.

RUSTBEAT 1313

RUSTBEAT 1313 is a highly effective mineral oil based rust and corrosion inhibitor that leaves a thixotropic oily film. It has been proven to give superior protection to cold drawn bar stock during inside storage and long distance transit. **RUSTBEAT 1313** can be easily removed by most conventional cleaning methods.

USAGE

RUSTBEAT 1313 is recommended for use on cold draw bar, turned, ground and polished bars and other steel products. It is designed to be used as received and can be applied by spraying or dipping.
